The Story Of The Green Bay Packers And That Little, Small Town

Synopsis

The Story of the Green Bay Packers and That Little, Small Town brings to life for your child the story of the greatest team in the history of the National Football League. Follow the Packers from the glory years of the Lombardi era through the lean years and back to triumph in winning Super Bowl XXXI. And throughout it all your child will learn of the dedication of the fans of the smallest city in the NFL that kept faith through the lean years and who through thick and thin would always love their Pack. Written as a poem, the wonderful rhymes make the legend of the Green Bay Packers memorable for the youngest and even the oldest Packer fans. Your child will learn what it truly means to be a fan of the Green Bay Packers.

What a great story book. Cute rhyming, cute pictures, cute story for children and adults. And a moral to the story as well! Just so you know, it will not download to the older kindle readers or even some of the kindle readers on PC. You have to have a newer version. I was only able to read it on my phone's Kindle App. I am presuming it is because of all the graphics. A little disappointing in that respect, but it is a great book!

I have not been able to view or down load this book. I would like to, I'm sure I would find it interesting. I cannot believe that I cannot get it on one of these pieces of technology, pc, I phone, kindle.

Absolutely a fantastic story of our treasured Packers. We live in Viking country, but I read this as

part of the Mystery Reader in my daughter's second grade class; and, even the young Viking fans appreciated the lessons of endurance and perseverance of the team. Our family adores this book!

What a great little story to share far and wide. Never cast THE PACK aside. We won with Lombardi and Holmgren and McCarthy too. With Starr, Farve and Rodgers we continue to do. That little, small, town really isn't that small. Because when you say WISCONSIN you've said it all. Now ask me about our BADGERS!!!!

I bought this for my young kids. They always have to put up with me watching all the Packer Games and have always wondered why I get so worked up. The Packers are a way of life for a LOT people in WI. Not just a favorite football team. This children's book made my 7 and 9 year old girls understand why I love the Packers so much. Perfectly written and illustrated and just the right length. They were captivated the first time I read it to them and now I keep finding the book in different locations around the house so I know they are re-reading it themselves. My 7 year old has told me it is her new favorite book and she now routinely prays to Coach Lombardi in Heaven!

I bought this for my newborn son. I live in Minnesota but went to college in WI and love the Packers. I want to make sure he loves them too so I'm starting him out early. Lol. Great book. Made me tear up at the end as I remembered when they started winning in the late 90s when I went to school in Eau Claire. You gotta love those Packers! Well written.

My little nephew loved this book! I highly recommend it for youngsters who are Packer fans. It was the perfect gift. Everything was very well done. From the writing, the artwork and the quality of the product.

This is adorable! My daughter and I love the pack, and she loved this book! Waiting for a second version with the newer guys! Thanks!
