Life Together (Dietrich Bonhoeffer-Reader's Edition)

Synopsis

Dietrich Bonhoeffer, one of the most influential Christian martyrs in history, bequeathed to humanity a legacy of theological creativity and spirituality that continues to intrigue people from a variety of backgrounds. *Life Together* gathers Bonhoeffer's 1938 reflections on the character of Christian community, based on the common life that he and his seminarians experienced at the Finkenwalde Seminary and in the "Brother's House" there. The stimulus for the writing of *Life Together* was the closing of the preacher's seminary at Finkenwalde by the Nazis. While Bonhoeffer wrote with his own seminary community in mind, he intended *Life Together* to have a more universal impact, and spoke of a mission and responsibility of the church as a whole. Using the acclaimed DBWE translation, adapted to a more accessible format, this new edition features supplemental material from Victoria J. Barnett and an insightful introduction by Jeffrey B. Kelly to clarify the theological meaning and social importance of Bonhoeffer's work.

Customer Reviews

This is a great addition to the works of Dietrich Bonhoeffer and more accessible to general audience. The additional information on his life and the seminary at Finkenwalde is also very helpful for those who have not read the more complete biographies, (Bethge and Schlingensiepen) and therefore do not know the context in which "Life Together" was written. I still think that this should be a companion book, however, and that the original small book published in 1954 in English should be

read as the primary source. I am grateful for Dr. Barnett and Dr. Kelly for this good addition and assume the others in the series will be helpful, too.

This book inspired me to commit daily every moment of my life to Jesus so that I can serve others through the study of The Word, listening for guidance, confessing my sins and seeing Jesus in everyone I encounter.

Very indepth. Have to read several times to absorb the message in context. It is not reading for pleasure. It is reading to gain information and insight into what community is all about.

Read this. It is what we need for what is to come. Bobhoefffer describes the community so ma h desire and the pitfalls to guard against.
