Books > Sports & Outdoors > Racket Sports #130240 inÂ Books > Sports & Outdoors

Age Range: 6 and up

Grade Level: 1 and up

Customer Reviews

My 10 year old just got into lacrosse this fall. I knew nothing about the game. This book is great. Considering my coaching history I am sure I will be suckered into coaching in the youth program. This book is of great benefit for this.

I own over a hundred books on lacrosse and over twenty on women's lacrosse coaching alone. This I rank the third best of them, and the other two above this are awesome. This is not far off. I can't review the other two as I didn't buy them off .If you are a women's lacrosse coach at high school level or above, buy it. It contains very helpful information that will be of assistance to all but the highest level coaches.

My girls love the book.
