ISBN-13: 978-1882419340

Product Dimensions: 1 x 7 x 9 inches

Shipping Weight: 1.7 pounds

Average Customer Review: 5.0 out of 5 stars See all reviews (2 customer reviews)

Best Sellers Rank: #3,145,256 in Books (See Top 100 in Books) #64 in Books > Computers & Technology > Programming > Languages & Tools > RPG #8266 in Books > Textbooks > Computer Science > Programming Languages #51037 in Books > Science & Math > Mathematics

## Customer Reviews

This book was written in a well organized, strait forward fashion. There are no incomplete explanations like so many programming books out there contain. Also, the authors of this book do a great job of using real wold examples to illustrate how and when to use certain RPG 4 operations in business applications. Some examples I have run accross in other books are not appropriate , because they are not representative examples of how certain RPG operations are used in businesses.

Very good book for AS400, fast shipping, Happy customer
