this book has been a tool that helped guide me thru life with my daily struggles and decisions. it is a good mental reference for me because everything in this book is so positive and on point. it gave me knowledge and wisdom that i could understand and incorporate into my daily life because its seems so real and todate. i read this book years ago and bought it for a friend, just like someone did me, and the person always tells me that they see a bit of me in every page of the book. its amazing how a daily reading tool could not only stick with you but rub off on to others. i offer this book to anyone who is searching for all the good things that influential words can bring. i promise you it wont be a waste.

This devotional has brought me so much closer to the Lord. DAILY, you will receive a faith-filled Word from Kenneth or Gloria plus Scriptures for further study. I truly believe it is the best devotional of all time. This book is the first gift I give to new Believers I meet. I also like to give this as a gift to co-workers and others who I come across in need for a Word from God. Also, consider this a great gift for those you've led to the Lord; it's a great way to follow-up with them and to let them know you care. All in all, this devotional would be a mega blessing to you and to those whose paths you cross. Buy this book, it will definitely propel you FROM FAITH TO FAITH!

This book is a progressive study that will teach you daily how to walk in the victory that was provided by our Savior and Lord, Jesus Christ. Kenneth and Gloria Copland challenge you to build your faith daily by becoming a doer of God's Word not merely a hearer.

Our family has been using Faith to Faith from the onset of its publication. Over the years, I have purchased cases of them to give to our family, friends and co-workers. This devotional is concise and right-on when it comes to it's biblical accuracy and in depth words of wisdom from Kenneth and Gloria Copeland. As you travel through the pages, the presence of God and Jesus, through the Holy Spirit is quite evident. You can use this devotional for years, as we have, and learn something new from the Lord each day. The practical wisdom for daily living, coupled with the deep spiritual insight into God's Word is unique and rarely found, so consistently, in any other devotional that we have used. This devotional is a great "seed" to plant in any believer's ministry, regardless of their spiritual age. The novice and the very mature Christian believer will find "pearls" on the pages of this devotional. I strongly recommend it.

I cannot recommend this more strongly. I read this Devotional everyday and it is the most uplifting thing you can do first thing in the morning. It starts out with a scripture. Then Gloria or Kenneth expand on that scripture with faith, power and authority. It then gives you further bible reading for the day. The Copeland's are real Faith preachers! It is all WORD, WORD, WORD! If you are hungry for some spiritual meat, you can get it right here! I love the Copeland's. God bless them!!

From Faith to Faith has really helped me in my Daily relationship with God. I have grown spiritually and would recommend this book highly. Kenneth and Gloria talks from the heart in this book and it is refreshing to know that some spiritual people have problem like average families. However,

knowing how to overcome every situation and walking on a daily basis in the blessing of God is wonderful. May God continue to bless and prosper you Ken and Gloria. Your in Christ - Ozie Adams

I've read through the entire book twice now and have only one problem with it: I have to keep purchasing new copies because I always seem to find someone to give my current copy to -- leaving me with nothing to read! All kidding aside, its a great foundational study broken down into realistic bite size pieces for daily reading. The lessons are totally scripture based and are written in such a way that you'll find it easy to apply them to your life.

I love this book so much that I have purchased it for many of my friends. I read this book faithfully, and it is my favorite daily devotional!! Faith to Faith will inspire you!!
