Customer Reviews

My husband purchased this on for our son. It is a cute book, though it doesn't seem to quite captivate our two year old the way other books can. Still, it makes a nice collectible for a fan. I see the other four cubs fans out there agree. Ha ha.

Through a baseball story and the Chicago Cubs little kids will have fun learning all the letters in the alphabet. I strongly recommend that parents share this book with their toddlers, I give it five stars, and I'm Marvin P. Ferguson, author of Boys On The Gold Coast.

Great Gift for a new father to be! Not many gifts for the dads and you can find most teams in most cities!

Train them up right and they will not depart when they grow older. LOL

Fun, especially for a Cubs fan!
