Special features: - Answers. Fully explained answers to all the questions: why the correct answers are correct and the incorrect answers are incorrect. - Exam objectives. All exam objectives covered: each question refers to an exam objective. - Exam tips. Describe what kind of questions to expect in the exam and how to identify the correct answers. - Quick notes. Contain the information that is pertinent to the exam but may not be emphasized in the books. About the Author: Dr. Paul Sanghera is a technologist, educator, and entrepreneur based in Silicon Valley, California. He is the best selling author of several technology and project management books published by well reputed publishers such as McGraw-Hill and Thomson Course Technology including Sun Certified System Administrator for Solaris 10 Study Guide. With a Ph.D. in Physics from Carleton University, and a Master's in Computer Science from Cornell University, Dr. Sanghera is an expert in multiple fields including project management, TCP/IP networking, Java technologies, and distributed systems. He has more than 15 years experience working with the UNIX system environment, which includes working at world class research laboratories, such as CERN and Wilson Nuclear Synchrotron Laboratory at Cornell University, and in the computer industry. He has taught courses on a wide spectrum of operating systems--- Solaris, Linux, and all flavors of Windows from Windows 95 to Windows 2003--- at various educational institutes including San Jose State University and Brooks College. Dr. Sanghera has worked as a senior software engineer at Novell, and Netscape, and has contributed to technologies such as NDS, and Netscape Communicator. As a senior software engineer and an engineering manager, he has been at the ground floor of several successful startups such as WebOrder and mp3.com. Author and co-author of about 150 research papers published in American and European research journals, Dr. Sanghera has made professional presentations by invitation at several International conferences.
