The Glory Of Christ (Works Of John Owen, Volume 1)

Synopsis

Despite his other achievements, Owen is best famed for his writings. These cover the range of doctrinal, ecclesiastical and practical subjects. They are characterized by profundity, thoroughness and, consequently, authority. Andrew Thomson said that Owen makes you feel when he has reached the end of his subject, that he has also exhausted it. Although many of his works were called forth by the particular needs of his own day they all have a uniform quality of timelessness. Owen's works were republished in full in the nineteenth century. Owen is surely the Prince of the Puritans. 'To master his works', says Spurgeon, 'is to be a profound theologian.'

Customer Reviews

This book has significantly changed how I read the Bible and, to be quite honest, how I experience God. I don't think this work was the sole cause of it but I think the theology contained within made significant changes in me. The Lord used the writings of this dead man from the 16th century to give me a vision of reading the Scriptures with 2 things in mind: everything is about knowing and enjoying the glory of Jesus Christ and seeing and beholding his beauty. As difficult as Owen is to read, it is so worth your time to try. I didn't get everything out of it the first time but I was able to get enough to get shell-shocked. This particular section of Volume 1 that I reference here begins with a quote of John 17:24. Jesus, praying to the Father for us, says:"Father, I desire that they also, whom you have given me, may be with me where I am, to see my glory that you have given me because you loved me before the foundation of the world."If you want to begin to better enjoy seeing the

beauty and glory of Jesus Christ and to enjoy it, then I would strongly recommend that you use this work to help you study the Scriptures. Consider the things that he says. Owen doesn't pull his theology out of midair. He is certainly drawing it from the Bible itself and, if anything, he showed me that I was mostly reading the Bible wrongly. This work has helped open up the Bible in a whole new way for me and I have never been the same. I am currently rereading this magnificent work and am continually being reminded of the greatness of Jesus. My spiritual taste buds have been awakened to something that no religious substitute can satisfy: seeing and enjoying the beauty of Jesus Christ. That is what we are here for.
