Baby's First Bible Boxed Set

Synopsis

With simple language, and bright clear pictures, Baby's First Bible series provides an ideal first introduction to the Bible, its stories and characters for infants and toddlers. This board book collection is written in accessible, simple narrative, with colorful illustrations and sparkly foil on the pages to capture children's attention and hold their interest. Set includes four individual story books stored in a handy slipcase: Adam and Eve, Noah's Ark, The Story of Jesus, The Story of Moses.

Age Range: 1 - 3 years

Grade Level: Preschool and up

Customer Reviews

These books are good and sturdy. The stories are good and fairly accurate, but a little wordy for the size of the book and the age of the child, in my opinion. In the Moses book they say Moses "hurt" someone rather than killing him and in the Jesus book they say "The people hurt Jesus and then put him on a cross, and soon Jesus was gone" rather than saying Jesus died. Not sure if I fully agree with it, but as it's for babies I don't really have a problem with it either. Our bibles for the older toddlers and kids do use the more correct and accurate words "die" and "kill", so I'm not gonna worry about a "first" bible when the baby doesn't really understand anyway.

The images are okay and for a young child the books are fine, but I have some issues with how they condensed the stories down to fit into the book. For example the book says Moses ran away because he could not live with what he had done (he beat up an Egyptian who was beating an

Israelite) and became a Shepard. That's not really how I remember it. I guess maybe you have to make decisions about how to word the stories because the full length versions contain a lot of violence, but I guess I would have emphasized other parts of the biblical stories.

I was at church when my son's little friend came over to visit for a bit at our pew. He brought this book and I couldn't believe it! I had never seen or heard about this book and it's so great! I loved the illustration and the simplicity of the stories. I came home and placed an order for the entire box set! It's so great and I plan to gift these to friends at their baby showers.

Nice good quality set of books. I like all the Roger Priddy books - I think my daughter is still a little young for these stories as she's still relating to more simple daily life type things at 14 months but I love the illustrations and hope we can read them more together when she gets a bit older to understand the stories.

I ordered this book set for my niece. It is a great addition to her little library, at 6 months, I know she will enjoy them when she gets older, as "Jesus Loves Me" always brings a smile to her little face. God bless.

These books are very inaccurate and make up parts of the story that aren't in the Bible . . . like saying Adam and Eve ate an apple and that they talked to a snake. The Bible doesn't say that. The pictures are somewhat ridiculous too, like showing Noah's ark as a tiny little boat. What better way is there to turn kids away from faith when they get older by putting these ridiculous pictures in their mind.

Not what I expected. Too many words for babies. It's great for 3 years old and up.

Great series of board books. Not truly for babies. The stories are for older kids... maybe kindergarten or 1st grade. But the pics are wonderful and the stories are told well.
