Between God And Me: A Journey Through Proverbs

Synopsis

Vicki Courtney speaks timeless truth to school-age girls in a modern language they understand. Her *TeenVirtue* and *TeenVirtue: Confidential* releases won ECPA Christian Book Awards while *Between* (for ages 8 to 12) landed on the industry's young adult best seller list. Now, *Between God and Me* hits the "between" scene with social talk that's rooted in chapter-by-chapter wisdom from Proverbs. Amidst the cool, magazine-style photographs and colorful Q&A's, kids will discover what's not so cool about hanging with the wrong crowd, gossiping, being lazy or selfish, or having a bad temper. Girls will have all kinds of fun as they begin to understand that God has a greater purpose for their lives—even at this age.

Warmth radiates from this colorful text, as does the kind and compassionate approach of the author, Vicki Courtney. Being the founder of Virtuous Reality Ministries ([...] which is an online magazine for middle and high school girls highlighting relevant articles, a blog feature, a prayer board, and artist of the month, she is the ideal person to guide such youngsters through the wise words of one of the most insightful books of the Old Testament. In this latest issue of the *Between* series, Courtney explores the depth of meaning in Proverbs, for each of which chapters she provides an article describing her own encounter with the truth of the Proverb, followed by a few questions (headed 'Just between us') to help preteen and teenage girls apply the Proverb to their own lives. In addition, Courtney has split up her text into six main sections, each of which includes not only the articles and questions described above, but also 'Say what?' (a guide to some of the "weird, not-so-normal

phrases" included in that particular portion of Proverbs), 'Lies to wise' (which tests readers' knowledge of what Scripture says in Proverbs, by asking them to rewrite deliberate misunderstandings of key verses, to reflect the true meaning of what is said), and quizzes, which allow readers to rate themselves on a number of issues, including on their choice of friends and how they relate to others. Susan Jones, the author of all the quizzes and interactive pieces in the guide, is currently engaged in full-time mission work in Guatemala, which can be followed on her web site [...]

This 149-page guide is well illustrated, with more of the appearance of a delightfully themed scrapbook than a conventional book.
