The Best Of A. W. Tozer, Book 2

Synopsis

A.W. Tozer wrote with the passion of a man thirsty for God. He was not afraid to expose man's frailties, nor was he hesitant to reveal what God can do for those who seek Him. This collection of 44 chapters covers major themes of A. W. Tozer's writings, capturing the message he so passionately taught and lived: Surrender to Christ, get to know God personally, and grow to become like Him. Perhaps this explains their wide circulation and lasting influence. Excerpts from this volume come from classics like: The Knowledge of the Holy, The Pursuit of God, God's Pursuit of Man, How to Be Filled with the Holy Spirit, I Talk Back to the Devil, Who Put Jesus on the Cross? Plus many more! Also available is The Best of A.W. Tozer Book One, which includes 52 more chapters.

I picked up "The Best of A.W. Tozer" because I heard my pastor mentioned Tozer's name from the pulpit several times. I am so happy I did. Tozer has a way of stating spiritual truth with remarkable clarity. My only difficulty with this book is that it contains so much truth, I want to rush through it and stuff all of its knowledge into my head at once. However, after reading each essay, my mind and soul are so fully illuminated, I MUST stop so that I can think, ponder and completely mull over what I've read. I can no more rush through this book than I could eat 44 sumptuous dinners in one sitting. This book is a MUST read for Christians who like to think.

The works of A.W. Tozer force the reader to think. His essays are original, unorthodox, sometimes profound, provocative, and frequently brilliant. These are well written, logical commentaries. Christians of all denominations will benefit from Tozer's insights. Highly recommended.

This takes some of Tozer's most memorable work and condenses it for easy reading in short sessions. As always, Wiersbe makes learning and studying a joy!!

This volume is actually the second "Best of"... look closely at the picture (top). I just received it. The Un-apologetics ~ is a characterization based on the fact the Tozer states quite strongly that he will not apologize, water down, or oversimplify God's Word... It provided great direction for me. I love the essay on worship.

"The Best of A.W. Tozer, Book 2" is another great compilation of AW Tozer's writings from his many powerful titles. This edition is around 290 pages and addresses such points as: 1. The Holy Spirit's power comes from above instead of from within. 2. Our goal is to be holy instead of happy. 3. The Holy Spirit will work mightily in our life if we really want Him to. 4. 3 reasons why there is wasted activity in the church. 5. God can be known intimately - the choice is ours. 6. When we seek to exalt God above all, we will fall out of favor with the world. 7. God desires our sincerity, transparency, humility, and love. 8. Contrast between heaven and hell. 9. The true Christian will often be lonely in the world. 10. True faith is accompanied by expectation of what God promised and can do. While I really liked the title, I liked Book 1 better, mainly because of the topics addressed. This more of a preference instead of a criticism. Still, a great title and I will often use for future reference. Recommended.

Any of Tozer's writings are well written, spiritually deep and moving, and Warren Wiersbe's choice of excerpts from this spiritual giant are well worth reading and thoughtfully dwelling upon. Wiersbe, from his long experience as a pastor/scholar knows how to choose and emphasize that which is most helpful and convincing. No author has influenced my personal spiritual growth as profoundly as Tozer, and Wiersbe knows how to choose and edit with wisdom and insight.

A.W. Tozer is a profound teacher of the Word of God. The first book I read many years ago was the "The Pursuit of God", then the Knowledge of the Holy. I have found all of his writings very good.

What's not GREAT to say about Tozer??? He is one of America's Founder's and keepers of the FAITH. QUICK SERVICE!1
