Hebrews: A 12-Week Study (Knowing The Bible)

Synopsis

The book of Hebrews stands apart from other biblical books in its unique portrait of Jesus Christ as the supreme revelation of God—a portrait bolstered by the author's skillful use of imagery, metaphor, and Old Testament analogy. This accessible guide walks readers through the book of Hebrews, one of the most beautifully written and theologically rich books in the New Testament. Over the course of 12 weeks, these studies explore books of the Bible and:

- Ask thoughtful questions to spur discussion
- Show how each passage unveils the gospel
- Tie the text in with the whole story of Scripture
- Illuminate the doctrines taught in each passage
- Invite you to discover practical implications
- Help you better understand and apply God's Word

Customer Reviews

This is a great companion to the ESV Study Bible. We are using it as our guide in a group study of Hebrews. I appreciate how the guide helps me to dig deeper into the scripture and realize an understanding of the Word I had never contemplated despite reading it many times previously. Books like this illustrate the need for good expositional preaching and learned guidance and commentary to appreciate all the Bible has to offer.

A bit over-hyped, but then isn't everything? That said, it isn't bad for a beginner's study.
