# The Holocaust (Usborne Young Reading Series)

## Synopsis

This is a new title in "Young Reading Series Three", which is aimed at children whose reading ability and confidence allows them to tackle longer and more complex stories. The book tells the story of the Holocaust from the ancient roots of anti-Semitism through persecution in Post-World War One Europe and the horrors of the 'Final Solution'. Told in a sensitive and informative narrative, this book combines first hand testimony from Holocaust survivors with historical fact. It is illustrated with documentary photography where appropriate. It is developed in consultation with Alison Kelly, who is a senior lecturer in education and an early reading specialist from Roehampton University. --This text refers to an alternate Hardcover edition.
