Customer Reviews

This book is awesome. I use it often, as I prepare Bible lessons for children's Sunday School, Children's Church, Vacation Bible School, Bible Camp, and so on. It makes it easy to add activity to Bible lessons to keep little hands busy and minds on the Bible lesson. Each lesson has illustrations on how to use signing, drawing or play dough to help teach the Bible lesson.

Easy to use and the kids really enjoyed it. More the drawing and the play dough lessons vs then the signing lessons. I used this book for Sunday School for K-5th Grade the older kids helped the younger and it really worked well. I would read the section in the bible before hand to make sure I had a good understanding of the story but other than standard supplies there was NO PREP which made it really easy.

I use this book over and over! My favorite are the drawing stories where the teacher draws a shape and the children copy the shape on their paper as you tell the Bible story. Our 1-5 grade children love these, and I love that so many Bible stories are included in this book. A must have for teachers of Bible stories!

Love this book. Each lesson gives a great visual and hands on way of learning the bible stories. I have used the lessons from age 2 to 6th grade.

Love it
