Magda's Tortillas / Las Tortillas De Magda

Synopsis

Even at the advanced age of seven, Magda Madrigal can remember back to when she was a little girl and would watch her abuela making tortillas. Having studied techniques of a master, she now feels confident of her own ability to turn out beautiful, delicious, and round tortillas. But somehow the rolling pin and the kitchen comal still hold a few surprises for the perplexed Magda and for her delighted family. Great art isn't always pretty, but in the case of "tortilla artist" Magda Madrigal, at least it's tasty.

Book Information

Lexile Measure: 510L (What's this?)

Hardcover: 32 pages

Publisher: Arte Publico Pr; Bilingual edition (January 1, 2000)

Age Range: 5 - 8 years

Grade Level: Kindergarten - 3

Customer Reviews

Magda's Tortillas is beautifully illustrated and the story was loved by my kindergarten class. It is a good way to teach children that their art, in this case making tortillas, does not have to be exactly like the model; rather, the difference makes their art much more valuable, leaving the artist's thumb print in the final product.

This book is an excellent children's book with both cultural and social viewpoints expressed in both Spanish and English. An excellent choice for any child's library.

This bi- lingual book is a most have. My step daughter loved it very much. Will get one for my niece too.
